## BECOME A TEACHER!

### Summer Mode Programs Starting June 29, 2015

#### Early Childhood (2 ½ through 6 years) Diploma Program Internship Mode

Toronto Montessori Institute is pleased to offer our established Early Childhood Diploma Program in a new Internship Mode.

This program will be launched at our Mississauga Campus located at Northstar Montessori Private School on June 29, 2015. This is an intensive 8-week summer session focusing upon the foundations of Montessori early childhood theory and practice followed by a 10-month supervised internship. The internship phase allows student teachers to observe, follow and guide children over the cycle of an entire academic year and will run from September until June in an approved Montessori school, half days Monday through Friday.

#### Elementary (6 through 12 years) Diploma Program

The Elementary I & II Summer Mode Diploma Program provides a full range and vision of the elementary aged child for Montessori teachers wishing to broaden their Montessori understanding. The Elementary I & II summer mode course offers an intensive program that extends over a period of 18 months. The course runs over two consecutive summers, July to August. Elementary I (6 through 9 years) starts June 29, 2015.

#### Infant Toddler (Birth to 3 years)

The Infant Toddler Summer Mode Diploma Program runs for 7 weeks, through July and August, preparing you to complete your observation and practice teaching between September and June.

TMI has offered Infant Toddler teacher training since 2005 as the first MACTE accredited program in Canada.

## TMI/TMS Synergy – Our Student Teachers at Work

Through daily interaction with TMS students, TMI student teachers are able to observe students in classrooms where teaching is more than theory. Being immersed in a leading Montessori school provides many occasions for growth and professional development. The Lab School advantage prepares TMI graduates to enter the workplace, confidently and professionally.
