Celebrating Over 7 Years of Infant Toddler Montessori Teacher Training!

Exciting news! Our Infant Toddler Diploma Course self study has been submitted and we are preparing for the MACTE on-site visit and subsequent renewal of our Infant Toddler MACTE accreditation this July. We look forward to the privilege of continuing to provide Montessori schools with high caliber internationally accredited Montessori Infant Toddler teachers for many years to come.

Montessori Education A Gift for Life!

Thank you to the CCMA for circulating the April 11, 2012 article [Maria Montessori: guru for a new generation of business innovators](http://www.theglobeandmail.com/report-on-business/economy/growth/aria-montessori-guru-for-a-new-generation-of-business-innovators/article2398113/page1/). It is wonderful to see our long celebrated Montessori values recognized as beneficial and true preparation for life. Please share this article with those in your school community and family and friends as it is an excellent resource for the Montessori community, especially at this time of year, as we collectively focus on ensuring the future of Montessori education in Canada through re-enrolment and the recruiting of new students.
