

Northumberland Montessori School is a small school located north of Cobourg close to the 401. NMS is looking for MACTE or AMI accredited Casa and Elementary guides as well as an ECE candidate who is open to our educational approach.

We work together as a team in our school and look forward to an applicant who values team work and who wants to create authentic learning environments across the ages in our small school community.

Please submit your resume to: nms@bellnet.ca
