

# Elementary Teaching Position

Trail Ridge Montessori School, Grimsby, ON.

TRM is currently inviting Elementary Directresses to submit resumes for a Full-Time Elementary Contract starting as of September 2020. We are open to receiving resumes from the following:

- A current student teacher who is graduating in the Spring of 2020, which hopefully means we can accommodate an April practicum/classroom placement.
- An Elementary Director/ress who has been teaching elsewhere and just wants a change.

A bit about our classroom: The classroom is well established with a maximum of 16 students in a balanced 6, 7 and 8 year old room. The group itself is hard working and fun to be with. In my eyes, a dream class! Feel free to visit our website at [www.trailridge.ca](http://www.trailridge.ca) to see more about our school as a whole.

Send resume to [ada.delong@trailridge.ca](mailto:ada.delong@trailridge.ca)
